EMPLOYMENT HISTORY

EAL / English Teacher

February 2024 — Present

Aoxin International School

Zhengzhou, Henan, China

- Deliver high-quality EAL teaching across Primary Years 1–6 in a bilingual international school, supporting multilingual learners to access the curriculum through English
- Plan differentiated curriculum-aligned lessons enabling learners at varied proficiency levels to access grade-level content through English
- Use formative assessment to set meaningful learning targets, monitor progress, and adapt instruction in response to student needs
- Apply evidence-informed questioning strategies — grounded in practitioner research on dialogic teaching — to improve participation and language development
- Collaborate with Chinese co-teachers to strengthen instructional consistency and adapt the school-based curriculum for EAL learners
- Build partnerships with families through detailed report comments and constructive feedback on language development progress

Training and Quality Lead

2022 — 2023

GEDU Global Education

International (UK, Dubai, Malta)

- Developed and facilitated professional development programmes for educators across campuses in the UK, Dubai and Malta
- Mentored 200+ trainers in pedagogical practices, assessment standards, and quality assurance protocols
- Created and delivered bespoke pedagogical workshops focused on rigorous assessment practices
- Developed quality assurance frameworks that strengthened instructional consistency across international campuses

Assistant Manager — Teacher Quality and Development

2020 — 2022

WhiteHat Jr (A BYJU'S Company)

India (Remote)

- Strengthened instructional quality for 1,000+ educators through coaching, quality assurance, and evidence-informed professional learning
- Created teacher training programmes and curriculum resources for distributed teaching teams
- Delivered targeted professional development sessions on assessment practices and instructional strategies
- Used classroom observations and LMS analytics to identify teaching trends and improve instructional consistency

EAL / English Teacher

July 2018 — August 2020

Aoxin International School

Zhengzhou, Henan, China

- Delivered foundational EAL and English instruction to primary and lower-secondary learners in a bilingual international school
- Directed Grade 5 writing moderation across multiple teaching teams, ensuring consistent assessment standards
- Created differentiated learning experiences enabling multilingual learners at varying proficiency levels to progress in their language development
- Mentored newly appointed teachers, supporting their successful integration and maintaining instructional quality

ESL Teacher and Teacher Trainer

2017 — 2018

Eton House Kindergarten

China

- Built foundational language skills for kindergarten learners through immersive ESL instruction
- Delivered demonstration lessons and mentored colleagues to strengthen early years ESL practice
- Created age-appropriate communicative activities for young multilingual learners

ESL Teacher

2016 — 2017

Zhejiang University — Helen China TEFL Network

Shenzhen and Huzhou, China

- Taught across multiple school contexts through the Helen China TEFL Network (Zhejiang University)
- Adapted teaching strategies for diverse age groups from early years to secondary
- Developed students' spoken confidence through structured communicative activities
- Applied continuous formative assessment to monitor and support language development

English, Science and Mathematics Teacher

2014 — 2016

Scholars Academy

Mumbai, Maharashtra, India

- Delivered interdisciplinary instruction across English, Science, and Mathematics for upper primary and secondary levels
- Delivered curriculum-aligned lessons designed to ensure exam readiness and measurable student progress
- Supported diverse learners through targeted feedback and intervention strategies
- Built the interdisciplinary teaching foundation that continues to inform the STEM-through-English approach

RESEARCH

Practitioner Research

Questioning Strategies and Participation Equity in Bilingual Primary Classrooms

University of Cumbria (2026)

Conducted practitioner research investigating how structured questioning, extended wait time and purposeful follow-up prompts increased participation equity in bilingual primary classrooms, drawing on dialogic teaching and translanguaging frameworks.
