Zhengzhou, China | mdshezkhn@hotmail.com | +86-131 3771 9002 | linkedin.com/in/mdshezkhn | mo-portfolio-v2

PROFESSIONAL SUMMARY

International Primary EAL educator with 11+ years of experience supporting multilingual learners across India and China, specialising in Years 1–6. Combines evidence-informed classroom practice with teacher development and instructional quality improvement, underpinned by postgraduate practitioner research in dialogic teaching and participation equity. Available for primary teaching and instructional leadership opportunities from August 2027.

CORE COMPETENCIES

Primary EAL Education | Curriculum Design | Teacher Development | Differentiated Instruction | Assessment for Learning | Professional Development | Instructional Quality Assurance | Cross-Curricular STEM | Dialogic Teaching | Translanguaging | Formative Assessment | Teacher Mentoring

EMPLOYMENT HISTORY

EAL / English Teacher — Aoxin International School

Zhengzhou, Henan, China

February 2024 – July 2026

Delivered EAL instruction across Primary Years 1–6 in a bilingual school environment.

Planned differentiated, curriculum-aligned lessons using formative assessment to support language development and subject learning.

Integrated English with Science, Mathematics and cross-curricular inquiry for multilingual learners.

Collaborated with Chinese co-teachers to adapt curriculum expectations and strengthen instructional consistency.

Training and Quality Lead — GEDU Global Education

International (UK, Dubai, Malta)

September 2022 – August 2023

Led teacher training and professional development focused on instructional quality, teaching practice and classroom delivery.

Designed and facilitated pedagogical training for trainers across campuses in the UK, Dubai and Malta, reaching 200+ educators.

Supported quality assurance processes to improve consistency in teaching standards and instructional practice.

Contributed to teacher development through observation, feedback, coaching and targeted professional support.

Assistant Manager — Teacher Quality & Development, WhiteHat Jr

India (Remote)

August 2020 – July 2022

Supported teacher quality operations across a large-scale online education environment, focusing on instructional standards and teaching effectiveness.

Used quality-assurance and review processes to identify instructional issues and support teachers in improving their practice.

Created teacher training programmes and curriculum resources for distributed teaching teams.

Connected teacher development, quality monitoring and instructional expectations within a technology-enabled learning environment.

EAL / English Teacher — Aoxin International School

Zhengzhou, Henan, China

July 2018 – August 2020

Delivered English instruction in an international-school environment for multilingual learners.

Used classroom assessment and differentiated instructional strategies to support learner participation and language development.

Directed Grade 5 writing moderation across multiple teaching teams to ensure consistent assessment standards.

Mentored newly appointed teachers through induction and professional growth support.

ESL Teacher and Teacher Trainer — Eton House Kindergarten

Deqing, Zhejiang, China

August 2017 – June 2018

Delivered English/EAL learning within an international early-years environment.

Planned engaging, age-appropriate lessons and classroom activities around learner participation and language development.

Used differentiated and interactive teaching strategies to accommodate varied levels of learner confidence and proficiency.

Worked collaboratively within an international education setting to support learner development and effective classroom practice.

ESL Teacher — Helen China TEFL Network (Zhejiang University)

Shenzhen and Huzhou, China

November 2016 – August 2017

Delivered English language instruction to Chinese learners in a TEFL/EFL environment.

Planned interactive English lessons using learner-centred activities and structured language practice.

Adapted instruction to the needs of learners studying English as a foreign language within the Chinese educational context.

English, Science and Mathematics Teacher — Scholars Academy

Mumbai, Maharashtra, India

January 2014 – November 2016

Delivered interdisciplinary instruction across English, Science and Mathematics for upper-primary and secondary levels.

Designed and adapted learning activities to address different learner needs, levels and classroom contexts.

Used assessment and ongoing classroom observation to monitor learner progress and inform instructional decisions.

RESEARCH

Questioning Strategies and Participation Equity in Bilingual Primary Classrooms — University of Cumbria (2026). Practitioner research investigating how structured questioning, extended wait time and purposeful follow-up prompts increased participation equity in bilingual primary classrooms, drawing on dialogic teaching and translanguaging frameworks.
