PROFESSIONAL SUMMARY

International Primary EAL educator with more than 10 years of experience across India and China, specialising in multilingual education for Primary Years 1–6. PGCE-qualified with expertise in differentiated instruction, curriculum design, cross-curricular STEM integration, teacher mentoring, and instructional quality improvement. My classroom practice is informed by practitioner research into dialogic teaching and questioning strategies to improve participation and language development in bilingual classrooms. Available for primary teaching and instructional leadership opportunities from August 2027.

EMPLOYMENT HISTORY

EAL / English Teacher

February 2024 – Present

Aoxin International School

Zhengzhou, Henan, China

- Deliver high-quality EAL teaching across Primary Years 1–6 in a bilingual international school, supporting multilingual learners to access the curriculum through English
- Design differentiated curriculum-aligned lessons that respond to varied language proficiency levels within the same classroom
- Use formative assessment to set meaningful learning targets, monitor progress, and adapt instruction in response to student needs
- Apply evidence-informed questioning strategies – grounded in practitioner research on dialogic teaching – to improve participation and language development
- Collaborate with Chinese co-teachers to strengthen instructional consistency and adapt the school-based curriculum for EAL learners
- Build partnerships with families through detailed report comments and constructive feedback on language development progress

Training and Quality Lead

2022 – 2023

GEDU Global Education

International (UK, Dubai, Malta)

- Designed and facilitated professional development programmes for educators across campuses in the UK, Dubai and Malta
- Mentored 200+ trainers in pedagogical practices, assessment standards, and quality assurance protocols
- Designed and delivered bespoke pedagogical workshops focused on rigorous assessment practices
- Developed quality assurance frameworks that strengthened instructional consistency across international campuses

Assistant Manager – Teacher Quality and Development

2020 – 2022

WhiteHat Jr (A BYJU'S Company)

India (Remote)

- Strengthened instructional quality for 1,000+ educators through coaching, quality assurance, and evidence-informed professional learning
- Designed teacher training programmes and curriculum resources for distributed teaching teams
- Delivered targeted professional development sessions on assessment practices and instructional strategies
- Used classroom observations and LMS analytics to identify teaching trends and improve instructional consistency

EAL / English Teacher

Aoxin International School

Zhengzhou, Henan, China

- Delivered foundational EAL and English instruction to primary and lower-secondary learners in a bilingual international school
- Directed Grade 5 writing moderation across multiple teaching teams, ensuring consistent assessment standards
- Designed differentiated learning experiences for multilingual learners at varying proficiency levels
- Mentored newly appointed teachers, supporting their successful integration and maintaining instructional quality

Questioning Strategies and Participation Equity in Bilingual Primary Classrooms

PGCE Practitioner Research, University of Cumbria (2025–2026). The research investigated how structured questioning, extended wait time and purposeful follow-up prompts increased participation equity in bilingual primary classrooms, drawing on dialogic teaching and translanguageing frameworks.
