

Mohammed Shehzad Khan

International Primary EAL Educator

Zhengzhou, China mdshezkhn@hotmail.com +86-131 3771 9002 <https://www.linkedin.com/in/mdshezkhn>
<https://mdshezkhn.github.io/mo-portfolio-v2/>

PROFESSIONAL SUMMARY

International primary EAL educator with 10+ years of experience across India and China, specialising in English as an Additional Language instruction for multilingual learners in Years 1–6. Holding a Postgraduate Certificate in Education (PGCE) from the University of Cumbria, with demonstrated capacity in cross-curricular STEM integration, teacher mentoring, quality assurance, and professional development design. Evidence-informed practitioner whose PGCE research on dialogic teaching and questioning strategies has directly improved participation equity in bilingual classrooms. Seeking a primary teaching or instructional leadership position in an international or UK-aligned school from August 2027.

EMPLOYMENT HISTORY

EAL / English Teacher

February 2024 — Present

Aoxin International School

Zhengzhou, Henan, China

- Deliver comprehensive EAL and English instruction across Primary Years 1–6 within a bilingual international school setting
- Design curriculum-aligned lessons and differentiated learning experiences for multilingual learners at varying proficiency levels
- Use formative and summative assessment to monitor progress, set meaningful learning targets, and inform instructional planning
- Collaborate with Chinese co-teachers to strengthen instructional consistency and adapt the school-based curriculum for EAL learners
- Write detailed report comments and provide constructive feedback to students and parents on language development progress

Training and Quality Lead

2022 — 2023

GEDU Global Education

International (UK, Dubai, Malta)

- Directed international professional development across campuses in the UK, Dubai, and Malta
- Mentored 200+ trainers in pedagogical practices, assessment standards, and quality assurance protocols
- Designed and delivered bespoke pedagogical workshops focused on rigorous assessment practices
- Developed quality assurance frameworks that strengthened instructional consistency across international campuses

Assistant Manager — Teacher Quality and Development

2020 — 2022

WhiteHat Jr (A BYJU'S Company)

India (Remote)

- Strengthened instructional quality for 1,000+ educators through coaching, quality assurance, and evidence-informed professional learning
- Designed teacher training programmes and curriculum resources for distributed teaching teams
- Delivered targeted professional development sessions on assessment practices and instructional strategies
- Used classroom observations and LMS analytics to identify teaching trends and improve instructional consistency

EAL / English Teacher

July 2018 — August 2020

Aoxin International School

Zhengzhou, Henan, China

- Delivered foundational EAL and English instruction to primary and lower-secondary learners in a bilingual international school
- Directed Grade 5 writing moderation across multiple teaching teams, ensuring consistent assessment standards
- Mentored newly appointed teachers, supporting their successful integration and maintaining instructional quality
- Designed differentiated learning experiences for multilingual learners at varying proficiency levels

ESL Teacher and Teacher Trainer

2017 — 2018

Eton House Kindergarten

China

- Built foundational language skills for kindergarten learners through immersive ESL instruction
- Delivered demonstration lessons and mentored colleagues to strengthen early years ESL practice
- Designed age-appropriate communicative activities for young multilingual learners

ESL Teacher

2016 — 2017

Zhejiang University — Helen China TEFL Network

Shenzhen and Huzhou, China

- Taught across multiple school contexts through the Helen China TEFL Network (Zhejiang University)
- Adapted teaching strategies for diverse age groups from early years to secondary
- Developed students' spoken confidence through structured communicative activities
- Applied continuous formative assessment to monitor and support language development

English, Science and Mathematics Teacher

2014 — 2016

Scholars Academy

Mumbai, Maharashtra, India

- Delivered interdisciplinary instruction across English, Science, and Mathematics for upper primary and secondary levels
- Planned curriculum-aligned lessons designed to ensure exam readiness and measurable student progress
- Supported diverse learners through targeted feedback and intervention strategies
- Built the interdisciplinary teaching foundation that continues to inform the STEM-through-English approach

RESEARCH

Questioning Strategies and Participation Equity in Bilingual Primary Classrooms

PGCE Practitioner Research, University of Cumbria (2025–2026). Examined how structured questioning, extended wait time, and follow-up prompts support participation equity in bilingual primary classrooms. Grounded in Alexander's dialogic teaching framework and translanguaging theory. Module 1 explored formative feedback and writing development in multilingual classrooms. Module 2 investigated questioning strategies to encourage greater participation and meaningful classroom dialogue.

CONTINUING PROFESSIONAL DEVELOPMENT

Planned 2026–2027:

- IB PYP Category 1 — Formal IB training to support authorised PYP practice
- CSciTeach — Chartered Science Teacher status
- PSTT Membership — Primary Science Teaching Trust
- NALDIC — National Association for Language Development in the Curriculum
